The cheapest route to the Substance Abuse Rehabilitation Program Department, from San Diego is to take the local train (Coaster) to Oceanside Transit Center (OTC), and then a bus to Naval Hospital Camp Pendleton.

SARPD strongly advises not to use a taxi, where fares can exceed \$100.00.

Cloud Nine is a shuttle that can run from the air port to Camp Pendleton which could at times be cheaper than the train and bus if there are enough persons taking it. Don't take the Cloud Nine Shuttle by yourself as that can also be very expensive.
